According to Foundation president, David J. The Foundation believes that they will continue to set and meet very high standards for themselves at the institutions of higher education they choose to attend.” The Foundation will finalize the class after May 4, which is the deadline for the initial winners to accept or decline the Foundation’s offer of a scholarship.

The Mary John Goree Las Animas County Scholarship offers Las Animas County residents a guaranteed minimum award that will meet or exceed full tuition and fees and can be used at any four-year college or university in the United States (other than Princeton University).
